Development

21 August

Chesslife Interschool Chess

Tournament—Lobethal

21-23 August

Whole School Camp

Arbury Park

Friday 30th August

School Closure Day

Royal Adelaide Show

FROM THE PRINCIPAL

The staff and students have achieved an enormous amount this term.

Staff have participated in professional learning in STEM, maths, spelling and Visible Learning. All **classes are using the students' ideas to plan for learning through the Walker Learning Approach.**

We have made connections with the local reserves and conservation parks to support this learning.

The music program has kept an exhausting schedule of learning so students could perform at the **Hutt's 40th Birthday** celebrations, DreamBig Family Music Festival and of course the annual Music **Concert. Students' work was on display during the Grandparents/Biggest Morning Tea** celebrations.

Students were able to learn new skills with the African Drumming Incursion midway through the term and the Latin Dance session last week. I would like to thank Talitha for organising this opportunity.

Through The Hutt, we were given the opportunity to participate in the Waterlines project. This is a collaborative project between Aboriginal Understandings and Art working with Ivan Copley and Laura Wills to better understand our waterways and the role frogs play in the environment. This work will continue next term when the students will model frogs out of local clay, Heathfield High School will fire them and they will be displayed at The Hutt and the school. You can see what the High School students did at the Waterlines Exhibition at The Hutt on Mondays and Fridays.

To celebrate our connection to the Environment and the role it plays in our learning we topped off the term with a Campfire Cookout with students enjoying soup, baked potatoes topped with bolognaise sauce and cheese and finishing the 3 course lunch with fire baked bananas and chocolate.

We would like to thank our amazing parents who have supported us in so many collaborative activities. Finally the staff would like to acknowledge the amazing work of the Governing Council and friends throughout this term in promoting the school. They have collaborated to improve our website, increase our effectiveness on Social Media and distribute a large number of promotional posters throughout the district.

Have a great break and stay safe.

Regards

Kath Ireland

Principal

LEGO LEAGUE

Notes will go home before the end of term with students who have shown interest in joining Lego League. Participation requires a weekly afterschool commitment, day to be confirmed. Please contact Kim with any queries. kim.lau593@schools.sa.edu.au or 0403 071 747.

CHESS

Chess students are invited to participate in the Chesslife Interschool Chess Tournament on Wednesday 21 August at Lobethal Lutheran School. This will have minimal impact on their time at camp.

An email was sent home last week with details. Families are responsible for their own registration and transport. Please let Amanda know if you require an additional copy of the email or contact Chesslife via email admin@chesslife.com.au.

FROM THE SCOTT CREEK PROGRESS ASSOCIATION

Hello SBL Neighbours

The organising committee has put in the order for great weather for Friday and all that you need to do is to get along to the Scott Creek Hall with your BYO drinks to have another convivial catch up with the 'hood.

Kids are very welcome and Granny Killick has set up a lovely collection of things to keep the little ones occupied inside the Hall where it's warmer.

There will be a selection of hot foods for the cost of a donation to the Hall upkeep.
From 4:30 to 7:30pm

Looking forward to seeing you there!
Scott Creek Progress Association Inc.
