Message from Kath

A belated welcome back to the third term. While there are still some restrictions in place the students have continued to focus on learning and being involved in school activities.

One of these was the Book Fair held last week. There was great enthusiasm in the library as students explored the books on show. Thank you for your tremendous effort in supporting children's love of books and reading. You purchased \$1338 worth of books during the week with a percentage of this going to the school fundraising efforts as well as \$110 of free books for holding the book fair.

All classes have been involved in Environmental Outdoor Learning on Thursdays and Fridays. This learning is linked to the curriculum but is focused on children's wonderings and investigations. You can read more about these on seesaw.

Book Fair

so many choices

SRC

Developing student leadership and student voice is very important and the SRC is just one way to support this. The SRC reps from the 1st semester were very active in planning lunch time ice blocks sales and soup sales as well as organising the R-7 focus groups on Friday. Kath will be able to introduce the new SRC reps for semester 2 in the next newsletter.

Year 7 to High School

Year 7s to High School planning is well underway. If your child is currently in year 5 or 6 next year will be their final year at primary school. Heathfield High has already been in contact to work closely with Upper Primary teachers within their zone. I know that many high schools have had virtual tours and I encourage you to access the websites of schools you are interested in to see what is being offered. If you have any questions or concerns, please contact either myself or Kieran. There is more information on the Department website: <https://www.education.sa.gov.au/sites-and-facilities/year-7-high-school/year-7-high-school-information-parents>

Spring Working Bee

If COVID restrictions allow we are planning to have a Spring Working Bee on Sunday 30th August.

There are a few jobs that need to be completed:

- Fresh soft fall in the playground as we have a playground inspection training at the school the following week
- Work on the Frog pond
- Restructuring the chicken run so it is fox proof before the next holidays
- Fix the outback garden
- Other various garden maintenance

If you have an hour or two to spare on the day it would be greatly appreciated.

SCHOOL WORKING BEE

Sunday 30th August 9:00am—12:00pm

We really need your help with getting some tasks done around the school to make the school look great!
