Come & Try Day  
Stirling Oval Sunday 19 February

### Library Donations

Do you have any modern children's books that you would like to donate to the school library? Please bring them to the office.

Thanks. Kim Lau

### Meet the Staff

#### Teacher Profile

Hi my name is Kate Coates.  
I love nature horses and ponies.  
I have 2 sons and I live on a small hobby farm in the hills.  
I have been teaching at Scott Creek Primary School for over 10 years.

#### Teacher Profile

Hi my name is Tanya Angaine.  
I love craft, art dancing and my Lagotto dogs.  
I have 1 child and I live in the hills.  
I have been teaching at Scott Creek Primary School for over 10 years.

Hello Scott Creek PS community, my name is Kieran Sandow and I am teaching the Kookaburra Class (Yrs 3-6) this year from Monday to Thursday.

Personally, I love physical activity. I have played almost every sport under the sun but currently I'm into lacrosse, surfing and rock climbing. My highest achievement in sport to this day would be making the Australian Lacrosse Team in 2015 and 2019 and having the privilege of playing against the best of the best from around the world on Onondaga land.

Before joining the Scott Creek community, I taught for shorter contracts at Stirling East PS, Challa Gardens PS and Gilles Street PS but have now been teaching at Scott Creek PS for 8 years; primarily in the Upper primary years. My passions in teaching are in Maths, Science and Physical Education.

I look forward to working with everyone this year to make Scott Creek a fun, safe and rewarding experience.

## Meet the Staff (continued)

My name is Carly Rosser. I live in Echunga with my husband and three children.

I love books! I collect a range of picture books which I regularly use in the classroom in a range of learning activities. My favourite subject to teach is HASS.

This year I will be teaching the year 3 students for phonics on Monday and Tuesday mornings, the Kookaburra class on Fridays, running the school's playgroup and be the Autism Inclusion teacher for the Scott Creek School. I am really looking forward to teaching your children this year.

Hi, I am Kim Lau, an SSO at the school on Thursdays and Fridays. I love working with the children in the veggie garden and cooking with the children. I am really interested in science, the native environment, maths and technology, and especially computer programming. I also help students with literacy in the classroom. In my spare time, I like to swim and I am a CFS volunteer and cadet coordinator.

Open Day at Science Alive!

## SA'S LARGEST SCIENCE COMPETITION

## The Kangaroo Class

*We are learning about number sense and place value*

Hunter and Hazel have been working on the well being challenge by doing the plank for 2 minutes.

*Hunter : I am aiming to go to Urrbrae High School,*

*next year. This year, I am looking forward to CreARTive and the play at the end of year. I want to make the school look aesthetically pleasing.*

*Hazel : Next year I am hoping to go to Blackwood because I like playing football and they have a football programme. This year, I am excited about Aquatics and being a leader in the school play. I would like to improve the music room environment and its surrounding area.*

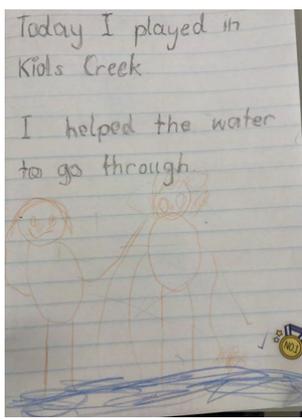

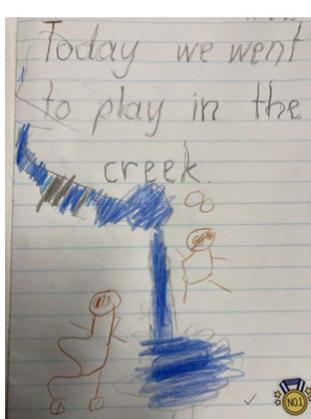

## The Kookaburra Class

*River: This week I have been writing sentences about kangaroos and I found it super easy. In maths I have been doing skip counting by 10.*

*Ava: This week, I have made a worm farm. I have been learning about words that have the 'ai' / 'ay' / 'a' sound. In maths I have been doing chunking which is learning how to add two big numbers together.*

*Jasmine: This week I wrote about a fox that is green with white under his chin. In maths I have been working with the hundreds chart.*
