### School News

#### Lunch n Crunch Volleyball

Lunch n Crunch was on Tuesday the 21st of March 2023 with the year 3s to year 6s attending. We went to the Heathfield Sports Centre to play volleyball and we had fun competing with other schools. We played on courts called beach courts, grass courts and the old indoor courts. When we played in the beach courts we got to dive on the sand.

"I really liked going to the Lunch n Crunch because it was really fun and we got to verse other schools. It was great!" — *Hunter*

"I really liked going to Lunch n Crunch because we got to dive in the sand courts and the grass courts. It was still kind of wet and we got to slide a bit too." — *Mitchell*

#### SRC (Student Representative Council)

Student voice is valued and constantly sought at SCPS. There are many opportunities for students to show leadership across the school.

The SRC, at the school, runs many social, charitable and sporting functions and, as part of its role, ensures that students can have "fun" at school.

The SRC are working with Carly to plan events throughout the year. This term we have planned the Colour Fun Run, Pet Day and an Easter Raffle. We look forward to finding more ways to celebrate our school throughout the year.

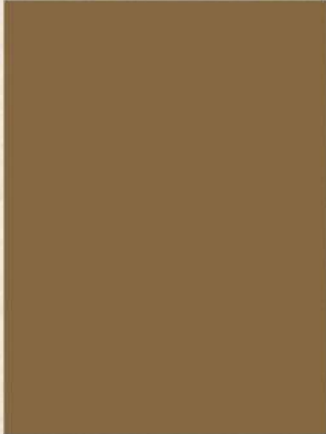

Our current SRC students are Mason, Hunter and Hazel.

## The Kookaburra Class

Even after the biggest of storms, the anger of seas or a bush-fire that rages through the land, the sun will shine again.  
—Oakley

Through our mentor text, 'Tomorrow is a Brand New Day' we have been learning about emotional intelligence, overcoming challenges, difficult feelings, compassion, friendship, humour and forgiveness. We have acknowledged we are all learning and growing - making mistakes and making amends.

If you have thrown something or said a bad word, tomorrow is new day. No matter

**"Good or bad, the things you do are all a part of being you — of learning how to take your boat on stormy seas and stay afloat."**

how bad what we have done, we can always overcome and put the past behind us. Once you have been in a fight and never properly apologised, tomorrow would be a great time to start. Maybe a card or a posy of flowers or something small like actions. You see actions outnumber words, 10 to 1, because you are showing them you care. I once got into a fight, a verbal fight, and moving my body makes it feel light. It will never be forgotten but you just need to keep trotting. Because tomorrow is a brand new day. Sometimes you just need to let it go and realise that there is nothing you can do. —Hunter
