2. Students (and their welfare)

- **General characteristics**
Students travel to Scott Creek Primary School from various Hills locations. Our students come from a range of socio economic backgrounds. Currently, about 30% of our students benefit from school card. Parents have a high level of involvement with the school and, along with the students, have established a strong sense of community.
- **Pastoral care programs**
The school community and our small classes, by their nature, encourage close cooperative, supportive relationships between staff and students.
An understanding of Growth/Fixed Mindsets and the 'Habits of Mind', have been implemented to provide students with the foundations for achievement and social / emotional wellbeing. Our school values are unpacked regularly and form the basis for our expectation for ourselves and the way we treat others. Students have been explicitly taught the 'Zones of Regulation' and refer to these zones when 'checking-in' throughout the day.
School values are Positive, Caring and Inspired.
- **Support offered**
Early Intervention programs (Minilit + Bond Blocks) for students with learning difficulties, 1:1 support for students with special needs, as well as general classroom support.
Cyber safety sessions are compulsory - occur annually for Year 3-6 students.
- **Student management**
Scott Creek Primary has a well-developed student behaviour support policy which is based on Restorative Practices, and aims to ensure that all students are successful and have the right to enjoy being safe and feeling safe at our school. The maintenance of positive adult / student and student / student relationships create the foundations for effective student behaviour support.
- **Student Government**
Student Voice is an integral part of our school. Classrooms are democratic and hold regular class meetings. Each class has Kid's Council Representatives who meet once a fortnight to discuss issues affecting student welfare, fundraising and whole school initiatives. Student initiated activities occur each term. Students work on environment and sustainability projects around the school and in the local community.
- **Special Programs**
AUSLAN, Science, Gardening, Outdoor learning, Music/Drama, Instrumental music (private lessons offered), SAPSASA sport, Swimming & Aquatics, Readers Cup, Premiers Reading Challenge, CreARTive, Environmental Walk, Bandicoot / Stringy bark Habitat Projects, Oliphant Science, First Lego League, bi-annual school camp, Combined Small School Sports Day, Fabulous Friday transition program, cooking and kitchen/garden program.

3. Key School Policies

Vision:

- A caring school community where members think and act positively, are inspired to know themselves, think independently and contribute positively to the world.

Mission:

- We support activities that focus on health/wellbeing, social justice and diversity - to support children to care for themselves, others and social environment.
- We include programmes to raise awareness about sustainability and ensure that students learn to care for the natural environment.
- We promote an environment in which teachers, students and parents can work collaboratively and learn from each other.
- We encourage responsibility, independent thinking and foster creativity.
- We offer a learning environment where students are encouraged to pursue what they believe.

Scott Creek Primary is a small, dynamic community school.

Our small size:

- promotes a family-style learning environment with a spread of ages and year levels in each class.
- caters for diverse ways of learning - students undertake work programs with variable demands designed to extend their levels of achievement.
- gives scope for individual/group work, both inside and within outdoor spaces.
- creates an environment which is challenging, safe, secure and collaborative.
- encourages student voice, instilling a sense of ownership and responsibility.
- promotes inquiry and problem based learning.
- allows maximum access to current and emerging technologies.
- Device for each student – Microsoft Surface Go's and iPads available (funded by the school).

Our educational objectives:

- recognise and deliver **equal** entitlement and opportunity.
- teach **values** including caring, confidence, unity, integrity, co-operation, responsibility, honesty and excellence.
- that children become **intrinsic learners** through their interaction with meaningful learning experiences.
- encourage a love of the environment and music.

Our community focus:

- maintain the **family atmosphere** that makes our school unique.

- view education as a **partnership**, involving staff, parents, students and extended community in meaningful dialogue and decision making processes.

- **Improvement Priorities 2024**

Scott Creek Primary School's current Site Improvement Plan has been developed with input from staff, students and parents. We have identified priorities for our school to work towards over the next 12 months.

These are:

1. Increase student achievement in Literacy (focus on Reading).
2. Increase student achievement in Mathematics (focus on Number).

4. Curriculum

- **Class Organisation**

R-2 class (Joeys), Year 3/4 (Possums) and Year 5/6 (Kookaburras).

- **Special needs**

Scott Creek Primary School focuses on early intervention and all students with a disability have a One Plan. Literacy and Numeracy interventions are provided either individually or in small groups. Extension activities are offered through Lego League and Readers Cup.

- **Special curriculum features**

- AUSLAN was introduced in 2023 and in 2024 has evolved into Cultural Studies.
- Science and Outdoor Learning was introduced in 2023 and continues.
- Music – continues in 2024.
- Walker Learning
- Performing Arts
- STEAM

- **Teaching Pedagogy**

Student centred learning is a priority at Scott Creek Primary School.

We critically reflect on our practices with a view of continuous improvement, providing our students with strategies to examine their own learning strengths and areas for further development.

Our school utilises the Walker Learning Approach which supports student-led learning. Along with a strong focus on STEAM and Literacy, all students learn to play at least one musical instrument.

- **Reporting on Student Achievement**

Term 1 – Parent Information Night + Three-Way Interviews

Term 2 – Mid-Year Student Reports + 'CreARTive' presentations

Term 3 – Learning Showcase

Term 4 - End of Year Student Reports

Parents are encouraged to inquire any time about student achievement.

- **Joint Programs**
 - We are part of the Mt Lofty Partnership. We have strong ties with Mylor, Heathfield and Basket Range Primary Schools, through our 'Small Schools Sports Day'.
 - Scott Creek and Macclesfield staff - also combine for professional learning and joint staff meetings to analyse student data.
- 5. Sporting Activities**
- We encourage all students to actively be involved in the many physical activity options provided by the local sporting groups in our district.
 - We promote student participation in SAPSASA activities during school time.
 - All children attend swimming lessons and the Year 6 students take part in Aquatics.
 - Outdoor play in our natural environment is a focus.
- 6. Other Co-Curricular Activities**
- **General**
 - Our students are involved in many environmentally focused programs.
- 7. Staff (and their welfare)**
- **Staff profile**
 - We have 8 part time staff and 3 full time staff.
 - We have a high staff attendance rate.
 - **Leadership structure**
 - Scott Creek Primary School has one Principal. All staff take on leadership responsibilities.
 - **Staff support systems**
 - Staff work collaboratively and as a whole school learning team (R-6).
 - **Performance Management**
 - All staff recognise that they have a responsibility to be involved in an ongoing program of Performance Development and be committed to continuous improvement in relation to school planning and individual direction. Regular discussions are held with the Principal.
 - **Access to special staff**
 - Support staff is accessed via the District office in Mt Barker.
 - Instrumental music lessons are offered for a variety of instruments.
 - **Other**
 - Because of our school size we use a whole school approach to most planning. We value working collaboratively as a team.
- 8. Incentives, support and award conditions for Staff**
- There are no special incentives or awards applying to this school apart from working with a great school community.
- 9. School Facilities**
- **Buildings and grounds**
 - The original building houses the staff room, admin area, intervention room, koala room and library.
 - We have a specialist classroom for Music, Drama and private tuition.

- A double classroom was established with BER P21 funding. One classroom is used for the JP class, while the other has a kitchen area and used for Walker Learning and cooking. The building is our called our 'Junior Learning Centre'.
- A covered playground was installed in 2006.
- Our asphalt area was upgraded in 2020.
- Our oval and stringy bark habitat, on the other side of Scott Creek Road, is spacious and engaging for students. There is a large area for cubby building and nature play.
- **Cooling**
All rooms are air conditioned.
- **Specialist facilities**
 - We have a device to student ratio of 1:1.
 - Scott Creek Community Hall is used for special performances and showcases.
 - Our Environmental Walk incorporates Kid's Creek, outdoor musical instruments, children's 'Juicy Veggie Garden', goat, quail and chook houses, pond and other areas for creative play.
 - Our Stringybark Forest area surrounding the oval and has an extensive and popular 'cubby' building area.
- **Access for students and staff with disabilities**
We have ramp access to the majority of the teaching areas and the disabled toilet. Our facilities will be upgraded on a needs basis.
- **Access to bus transport**
We have no access to the public transport system at Scott Creek.
The local school bus brings children in from Ironbank and Bradbury.

10. School Operations

- **Decision making structures**
Decision making is shared between Staff, Governing Council and Student Council.
Two teachers are members of our Personnel Advisory Committee (PAC).
- **Regular publications**
We have a weekly staff bulletin (OneNote), regular school & community newsletter, School Information Booklet (updated yearly), and Learning in the Early Years/Transition booklets.
- **Other communication**
All classes use 'SeeSaw' to communicate to families.
- **School financial position**
The school has a sound financial base.
- **Special funding**
NIL.

11. Local Community

- **General characteristics**
The local community has a strong commitment to the school.
The area is semi-rural and many parents commute to the city or nearby Hills towns for work.
- **Parent and community involvement**
Our parent and community involvement is one of the things that make us special.
We have an informed and active Governing Council.

We work closely with the 'Scott Creek Progress Association' and 'The Friends of Scott Creek Conservation Park'.

- **Feeder schools**

Our students come to us from nearby kindergartens in Aldgate, Stirling, Coromandel Valley.

We are a feeder school for Heathfield High, but many of our Year 6s also go on to Urrbrae Agricultural High School, Mitcham Girls and win places in the Glenunga International High School Ignite program.

- **Commercial/industrial and shopping facilities**

Stirling is 10km away. There are no shops at Scott Creek.

- **Local Government body**

Adelaide Hills Council

12. Further Comments

- Scott Creek Primary School enjoys the real benefits of being relatively small, with significant parent involvement and community support.
- We find working with our students and community professionally rewarding in many ways. We have smaller class sizes, find it easier to effect meaningful change, develop good working relationships with students and community, and work effectively as a team.
